

SYNERGIES WORLDWIDE

Global Sourcing | Product Development | Quality Assurance | Compliance

Who we are?

Founded in 1987, Synergies Sourcing is a global supply chain management company, with 24 offices in more than 13 countries from Bangladesh to the United States of America. Synergies Sourcing provides value-added sourcing in apparel, fabrics, fashion accessories, footwear, decorative accessories, home textiles, and other goods related to the fashion and hospitality industries. Synergies has grown over the past 22 years to a team of more than 400, managing more than \$300 million dollars in business for more than 50 customers.
